CABERNET SAUV
WALLA WALLA VALLEY

\$32

TASTING NOTES

When we are handed fruit like this from the Walla Walla Valley, our job becomes very straight forward; don't mess it up! This is a 100%, straight up, unadulterated classic Cabernet. Expect raspberry, cherry,

and sage on the nose, but prepare yourself for chewy fruit, roasted nuts and dried figs.. Hiding in the back is black licorice and roasted coffee. . Enjoy spring 2011 - 2020

VINEYARDS

Pepper Bridge & 7 Hills Vineyards consistently produce some of the best fruit that the State has to offer.

We typically let the 7 Hills fruit hang well after most of the lower Valley fruit has been harvested.
