TASTING NOTES

Another year, another stunner!

Perhaps a little too young and naive to keep up with some of her sisters right now, but she is on the verge of blossoming into a seductive vixen that will run with the best of them.

Full bodied and layered in rich fruit, complex spice, and luscious oak that entertains every corner of the palate. The 08 Merlot will charm your wine drinking soul and challenge your morals. Spring 2012 - 2020 220 Cases
