

TASTING NOTES

A true live wire of a syrah! Sourced from within the same vineyard as our 2008 & 2010 Syrah, but from a new location that we are very excited to stake a claim to! A site that is a little higher in elevation with a little more evening sun exposure, goes a long way toward building this high

intensity, personality driven, Walla Walla Syrah. Spend a little time inhaling some of the berry fruits, tobacco, and florals. Look for anise, coffee, white pepper and cassias in the middle, making way for some lingering rib eye on the back end.
