

KONTO'S CELLARS

2013 LC SYRAH

What THEY Say:

This wine features a deep purplish ruby color and enticing aromas of wild blackberries, mountain blueberries and black currants with scents of rosebuds, mulberries, sweet tobacco, violets and spiced incense. The flavors mirror the aromatics with fleshy, yet focused black and blue fruits that are intermixed with black licorice, cocoa powder, French roast, and Les Collines loess minerals. The back picks up macerated berries, roasted nuts, burnt charcoal, crème de cassis, and blueberry preserves on the way to a lingering, nutmeg and clove, slightly grainy ripe tannin finish. —R.S.

18.5/20 points - Rand Sealy

What WE Say:

All about that bass! Sexy deep notes of holiday spice and “fire in the fireplace on a rainy day” kind of warmth.

Enjoy through 2023
