

KONTO'S CELLARS

2011 CABERNET

What THEY Say:

This 100% Cabernet from the Summit View and Les Collines vineyards offers a deep ruby color and a classic varietal nose of blackberry, cherry and plum, with scents of crushed roses, juniper berry, tobacco and cedar. On the palate, the flavors are direct and well structured, imbued with licorice, cocoa and minerals. The back picks up pressed berries and touches of mocha, leather and toasty oak on the way to a ripe sweet-dry tannin finish. -R.S.

What WE Say:

Obviously a product of the environment she grew up in. Not quite a lady, but well on her way. She knows what she wants to be and if given another year or two, she will be ready to shine. This one is worth the wait. You will be glad you did!
